POSTSCRIPT PHARMACY

Most generic prescriptions: $10 for a 90-day supply. Mailed to your door.

We're a small, independent, pharmacist-owned pharmacy in Lancaster, NH, licensed in New Hampshire, Vermont, New York & Florida. Not an app reselling coupons, not a warehouse. We fill every prescription ourselves and mail it to you.

1

Get the free app.

Search **"PostScript Pharmacy"** in the App Store or Google Play and create your account. It takes a few minutes. Prefer a computer? **postscriptpharmacy.com** works the same way.

2

Your prescriber sends the prescription.

Tell whoever prescribes for you (doctor, NP, or clinic): **"Send it to PostScript Pharmacy in Lancaster, New Hampshire."** The prescription appears in your app.

3

Order it in the app. We mail it.

You see your exact price before you pay. Free shipping on orders of $25 or more ($5 otherwise). Refills take a moment in the app.

WHAT WE'RE HONEST ABOUT

We don't carry controlled substances or medications that must be shipped cold, and mail takes a few days, so we're not for emergency, same-day needs. We're for the regular medications you take every month. Our cash prices are often lower than a copay.
